EDUCATION

2017- 2021

Indian Institute of Information Technology, Allahabad ↗

B.Tech -Electronics and Communication

Jun-Aug 2020

10Kdesigners Masterclass ↗

Cohort 1 member of the Product(UI/UX) Design program.

EXPERIENCE

Aug-Nov 22

Parth Universal ↗

PRODUCT DESIGNER

Enhanced the web platform of Crex.live by bringing the premium user experience from the CREX Mobile app to web, resulting in a more user-friendly and engaging product.

Sep 21-Aug 22

AmbitionBox ↗

ASSOCIATE UI/UX DESIGNER

I contributed to the development of the salaries section of the platform, ensuring accurate data representation while avoiding information overload and maintaining uniformity throughout the platform.

Feb-May 2021

Pineapple Studio ↗

UI/UX DESIGN INTERN

Working end-to-end on various niche projects at a design studio provided me with a comprehensive understanding of the design process.

May- Jul 2020

Yaoe.io (now Neverinstall) ↗

UI/UX DESIGN INTERN

Took complete ownership of designing the dashboard, billing section, and landing page for the First draft of the browser-based platform to access desktop applications.
